Plans are in full swing for the Summit at Harrah's LAS Oct 10-12 and we hope your plans include joining us there. [Registration](#) is open and discounted for ADF Members until October 1st. Make certain you are logged in to get Member pricing. On the 10th we will hold our Fall Business Meeting with elections for Executive Vice President and Secretary followed by a Welcome Reception with our Sponsors and the fan favorite Dispatcher Bingo. A jam-packed agenda is firming up and we are excited to confirm we will open the General Assembly on the 11th with the traditional Leadership Panel. We hope to offer a tour of Allegiant Stadium but will not be able to confirm until a few weeks prior due to the schedule for tour availability is released only on short notice. Details will follow if we are able to host this tour. If the tour option does not come to fruition, we are fortunate to be in a location where Members might be able to find ways to enjoy free time.

The negotiated rate at Harrah's is \$69.00 (plus taxes and \$39.95/night resort fee) and closes on **September 9th** or until full. Please reserve today if you would like to take advantage of this rate. Summit shirts are available for purchase at the ADF website [store](#). Shirts are available with the traditional ADF logo and this year's Summit logo, with or without the Allegiant logo. If you would like to receive your shirt prior to the Summit please place that order right away as these custom orders require a fair amount of lead time. You will be able to order Summit shirts until the end of October but we will have no shirts on hand for purchase at the Summit.

If this is your first time attending the ADF Summit, we encourage you to apply for our First Timers Scholarship by September 15th. Scholarships will include a hotel room for two nights and waived registration. Four Scholarships will be awarded. Scholarship applicants should register as normal for the Summit and fees will be refunded if your application is awarded.

The current agenda follows. Please note details are still being confirmed and as always subject to change.

We look forward to seeing you in October!
