Washington DC:

As we communicated on Wednesday, due to the devastating effects of Hurricane Milton, the 2024 ADF Summit will not take place as originally planned.

After evaluating the options for postponement, the ADF Board has reached the difficult decision to cancel the 2024 ADF Summit.

All room reservations made through the official ADF room block have been automatically cancelled. If you booked accommodations outside of this block, please contact the hotel directly to cancel your reservation.

Any amount paid to the ADF for the summit, will be refunded to the original form of payment. Please allow 1-2 weeks for refunds to be processed.

The Annual Business Meeting will take place at the SpringHill Suites DFW Airport South on October 15th from 1200-1700 central. Please note, this is a meeting to discuss the business of the organization, NOT a conference. Hotel rooms are limited, with no room block established. Catering will not be provided. While the meeting is open to all ADF members, we do ask that you register your intent to attend via the website (<https://dispatcher.org/meeting/829-annual-business-meeting>).

The Airline Dispatchers Federation will continue its annual Summit series in 2025, with location and dates to be announced in the first quarter of the year.

We appreciate your understanding and flexibility during this challenging time, and look forward to seeing you next year!

About ADF:

The Airline Dispatchers Federation represents the professional interests of the dispatch profession. ADF's constituency is comprised of licensed aircraft dispatchers and operational control professionals from aerospace companies, regional and cargo carriers and every major U.S. airline. ADF's membership as of January 2024 stood at 2,734 members. The vast majority of airline passengers traveling each day in the United States, do so under the watchful eye of ADF members.

The ADF is an all-volunteer organization (all working dispatchers) and in accordance with our bylaws is an advocacy organization for working dispatchers and not a labor organization.
